

Hi Brian,

Just wanted to thank you for our beautiful pool. Enclosed is last chq. We were more than pleased with the process + service. At times it seemed forever but this was more than made up for by the kindness and smiling faces

of the excellent team you have working for you. We know that you went out of your way on occasion even when you were having difficulty getting through your own day, and we appreciate this very much. I would have no problem recommending you and your company to anyone who was putting in a pool. Pleasure doing business with you.

Regards Jane + Rod Earl.

P.S: We are confident we were your best behaved customers this quarter! 😊

P.P.S: You're much better than Majestic. shh! 😊
